The Vinyl Deluxe Frame Sign System

Our Deluxe Frame is engineered to withstand the most severe weather conditions of all our systems. We use commercial grade vinyl, stainless steel hardware, and aluminum extrusions in both rails for added strength and wind load capacity. Our design allows for fast and simple assembly.

- (2) 4" x 4" x 8' Vinyl Sign Posts
- (2) Standard Flat Caps
- (2) Rails reinforced with Aluminum for long lasting durability

- All necessary hardware
- Substrate not included

Please contact a representative for assistance or if you need more precise sizing options.

USE OUR
STAKES

Top Rail

Bottom Rail

The posts and rails will be routed to the appropriate thickness of your substrate.

The substrate will install into the frame and will take visual space. We recommend that you leave a 2" border to properly accommodate for your design space on the sign panel.
