The Vinyl Designer Frame Sign System

If you are looking for a solution that is innovative and affordable, then the Designer Frame is exactly what you are looking for. This frame is engineered to meet the need for a frame that will hold smaller substrates but will be installed on a more permanent basis.

- (2) 3.5" x 3.5" x 8'
- Available in a variety of different sizes
- Substrate not included
- Designer Frame comes with 8' long posts and multiple sizes up to a 4' x 5' substrate in different thicknesses.

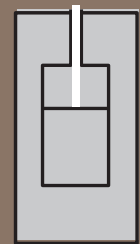

Please contact a representative for assistance or if you need more precise sizing options.

installation tips

Top Rail

Post and Horizontals are routed to accept your substrate. Be sure you indicate how thick your substrate will be. The substrate will insert into the posts and rails.

Bottom Rail

We recommend that you allow a 2" border on all four sides before any important graphics.
