Sign System**

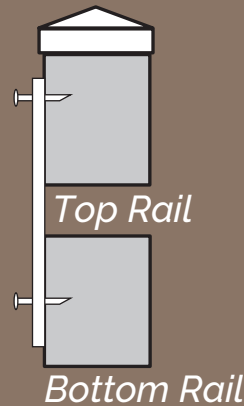

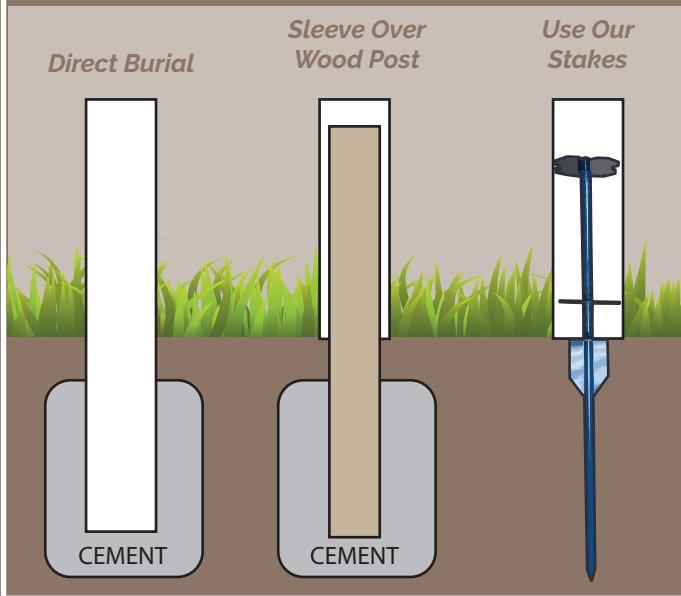

The Vinyl Grover Sign Frame Sign System

Our Grover Sign Frame is ideal for someone looking to mount their substrate directly to the posts and rails.

- (2) 4" x 4" x 8' Structural Grade Vinyl Posts
- (2) Standard Flat Caps
- Cross rails reinforced with vinyl
- All necessary hardware to install rails and substrate
- Substrate not included

Please contact a representative for assistance or if you need more precise sizing options.

installation tips

The Grover frame allows for your substrate to be mounted directly to the posts and rails. In this case, your visual and panel size are the same. Please specify if you would like to have additional space between the post and your panel or if you would like an additional support rail.
