The Vinyl
Swing Frame
Sign System

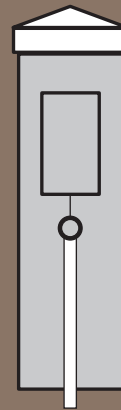

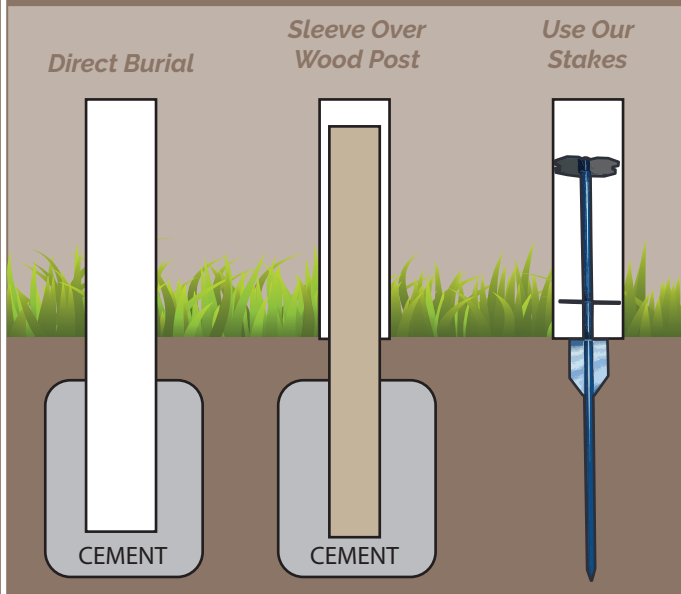

The Vinyl *Swing Frame* Sign System

Our Swing Frame System allows for panels to be easily interchanged. With multiple design options to choose from, you can have a sign display system that will be attractive in any location.

- (2) 4" x 4" x 8' Structural Grade Vinyl Posts
- (2) Standard Flat Caps
- Top Rail with Vinyl Webbing for added strength
- (2) End Caps for the Rail (Standard or Deluxe)
- All necessary hardware
- Custom Sizes Available
- Substrate not included.

Please contact a representative for assistance or if you need more precise sizing options.

installation tips

The Swing frame allows your substrate to be hung from the top rail. In this case, your visual and panel size are the same.

Please make sure to specify if you would like to have additional space between your panel and the posts.
